

American Rescue Plan/ESSER III - LEA Plan of Use Narrative

Agency: Ionia Township S/D #2

2020 - 2021

Recipient Code: 34360

- The LEA Plan of Use Narrative is currently in progress and not ready for submission. The LEA agrees to amend their application at the time the Plan of Use Narrative is complete.

Please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning:

Ionia Township has worked closely with the Ionia County ISD and the Ionia County health department to ensure a safe reopening and operation of school facilities throughout the pandemic. The school system has a layered approach to prevention and mitigation strategies and will continue to do so in consultation with state and local health officials, and informed by CDC guidelines. Ionia township will continue to provide enhanced cleaning protocols, hand washing, and social distancing whenever feasible inside the classroom. Staff continues to partner with The Ionia County Health department to communicate vaccination clinic and will continue to track the vaccination rate of students and staff. Additionally, Ionia Township has trained staff members to administer Rapid COVID-19 tests and will continue to implement CDC recommended isolation and quarantine guidelines. ESSER funds will be utilized to purchase sanitization supplies and for weekly deep cleaning services. To support social distancing and to eliminate cross-contamination ESSER funds will be used to create an extended coat room with student storage.

Please describe how the LEA will use the funds it reserves under section 2001(e)(1) of the ARP Act (see below) to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year:

Ionia township will continue to use the ESSER III funds to implement evidence-based interventions (Heggerty, Phonics for Reading, and Orton Gillingham) in a small group setting with our highly qualified paraprofessional supports. Ionia Township will utilize the implementation of evidence-based interventions along with summer learning extensions to address the impact of lost instructional time. A six-week summer learning and enrichment program will be offered to all students. ESSER funds will be utilized to pay for staffing, student transportation, student learning materials, and daily snack for students. Prior to the start of summer school, Ionia township will host a summer learning kick-off event to create family engagement. ESSER funds will be utilized to support the implementation of this event. At the summer learning kick-off, students will receive individualized summer reading and math materials to support independent hands-on learning through the summer.

Please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act.

The remainder of the ESSER funds will be prioritized based on the data collected through meaningful consultation with stakeholders and analysis of state and local assessment data. Items in order of priority of include:

- 1- Deliver Interventions for struggling students and provide small-group instruction
Funds will be used for wages and benefits for staffing small group instruction and along with materials to implement daily small groups. In addition, funds will be used to purchase additional or replacement Chromebooks to support online academic intervention programs.

American Rescue Plan/ESSER III - LEA Plan of Use Narrative

Agency: Ionia Township S/D #2

2020 - 2021

Recipient Code: 34360

2- Implement key components of Reading, Language Arts, and Math

Funds will be used to update both core math and reading programs and provide high-quality assessment tools to track student progress.

3- Ensure all students receive high-quality instructional materials

Funds will be utilized to purchase high-quality student materials, online programming, intervention programs for math and reading, and staff training on those programs.

4- Create acceleration opportunities, during holiday breaks, summer, or other times

Funds will be used to implement a six-week summer learning program (staffing, materials, transportation, daily snacks)

Please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) of the ARP Act (see below) to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Ionia township will address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, particularly those students disproportionately impacted by the COVID-19 pandemic by identifying students disproportionately impacted through family survey data, and local assessment data. Once students are identified those learners will be prioritized for small-group instruction with research-based intervention programs. Through our partnership with the Ionia County ISD, Community Mental Health, Ionia Township assure that students are being identified in a timely manner. Progress monitoring will be utilized to ensure adequate progress. ESSER funds will be used to purchase SEL curriculum and materials and to hire a part-time social worker to support the implementation of mental health services.
